For employers seeking child care options for 25 or more staff, please call 470-426-2610 for direct support.

As you scroll down you will see the next section of the page showing the current status of Georgia's licensed Child Care Learning programs operating or closed during this challenging time. Please note, this section is being updated regularly, as programs report their current status to our office.

Find child care or Pre-K programs near you.

With **3,425** Georgia licensed child care providers reporting:

- 1,459 are open
- 1,966 are closed

If you are looking for child care that is still open during the COVID-19 event, enter your zip code in the search field below. Click on the drop-down menu to select the distance from your home. A list of licensed programs in your area will appear. You will be able view their COVID-19 event status to determine if a program is operating. To view their operating details such as potential vacancies and if a program is accepting new children, click on each child care program. Please note, we are only able to report on those programs that have reported their status to DECAL.

Child Care Programs**Pre-K Programs**

In the middle section of the page, you can search for a Child Care Learning program by facility name or use other information. For example, you can select the "Search along a route" bubble and enter your home address and your work or school address to find programs in between both locations.
